Amazonico

10 BERKELEY SQUARE, MAYFAIR
AMAZONICO.CO.UK

The image shows the interior of the Amazonico London restaurant. The ceiling is covered in a dense, shimmering mosaic of small, irregular pieces, creating a textured, metallic effect. The walls are dark, with a large, intricate, abstract sculpture made of thin, curved metal rods in shades of blue and gold. The floor is dark, and the tables are round, covered with white tablecloths. Each table is set with white plates, glasses, and small potted plants. The lighting is warm and ambient, with several large, spherical pendant lights hanging from the ceiling. The overall atmosphere is sophisticated and artistic.

Amazónico London

Originally opened in Spain by husband and wife team and renowned restaurateurs, Sandro Silva and Marta Seco, Amazónico quickly became one of Madrid’s most-popular and well-loved restaurants. In 2019 the couple decided to open their first international site, Amazónico London situated in the heart of Mayfair on Berkeley Square.

Through taste, touch and sight, visitors are taken on a sensory journey along the flow of the Amazon river, exploring the cultural and gastronomic heritage of the region. Discover true Latin American hospitality along with a vibrant atmosphere that is perfect for memorable entertaining, whatever the occasion.

Private Dining

Designed by internationally renowned artist Lázaro Rosa-Violan, our Private Dining Room is a truly unique space. Created using natural and raw materials the walls are adorned with a custom-made carpet in a variety of textures and tones.
